HOPE COMMUNITY CHURCH

150 E. BEIDLER RD, KING OF PRUSSIA, PA 19406 AT 7:00PM

FEATURING

VALLEY FORGE CHORALE

STEVEN J. McBRIDE, JR.,
ARTISTIC DIRECTOR AND FOUNDER

The inspiration of The Valley Forge Chorale has come from many years of singing, directing choirs, and making music and many friends. The dream has been to create a community choir dedicated to the love and enjoyment of

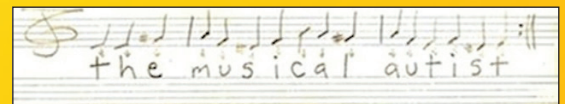

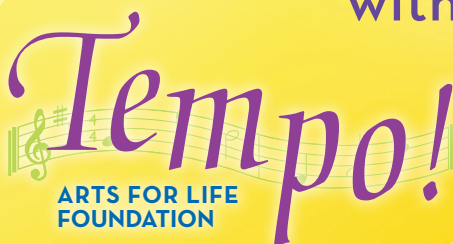

choral music. Enjoyment is a key ingredient in the recipe for a wonderful choir. Beautiful music is the second ingredient to the success of the VFC. The music selected and programmed for our concerts will be familiar music in all genres. The music, which you can relate to and which will speak to your soul, will also give you tears of joy and sadness, will create a beautiful and emotional connection, and will touch your innermost voice.
